LDAC Mission

To promote cultural and educational activities through the arts!

(oh, and through the arts, we also make life in Lead & Deadwood way more fun!)

If you believe in the importance of the arts as a means to enrich our community and enliven our lives, please become a member of the LDAC. Members receive discounts to all LDAC events, electronic newsletter, invitations to VIP parties, etc. Members also receive 10% off all framing and matting at the LDAC custom frame shop. Everything LDAC accomplishes is made possible through relationships and partnerships with others, and most importantly with **you!**
